Dear Sir:

In response to the Examiner's Action (Paper No. 5) dated February 21, 2003 which rejected the above-identified application, please amend that application as follows:

IN THE SPECIFICATION

Please amend the specification as follows:

Please delete the Title as filed and insert in place thereof the following (attached hereto is a marked version of the Title showing the changes made therein):

Method Of Wetting Webs Of Paper Or Other Hygroscopic Material

Please delete the Summary of the Invention in the application as filed and insert in place thereof the following (attached hereto is a marked version of this replacement for the Summary of the Invention as filed showing the changes made therein):

A method of wetting webs of paper or other hygroscopic material using an atomizing nozzle. The method comprises:

- (a) forming internal to the nozzle a mixed gas stream that
